ManyVids is doing more than celebrating summer, we're doing everything we can to make this the greatest summer ever! And it's in that spirit we're bringing you MV Mag 26, a sweltering hot collection of sun-drenched summer beauty!

Kat Dior stars in Sun-Kissed, a sand and palm tree dream come true! Kat invites you to play a game of beach volleyball and then relax and take in her exquisite perfection. Let her take you away, lose yourself in this shoot and let it be summer forever.

You're not going to know what day it is, what time it is, or know anything except for the eternal now when you take a dip with Daisy Stone in her photoshoot Dazed. It doesn't matter if you know how to swim or not, let Daisy take your hand and lead you into the cool refreshing waters.

Next is our special body positive lookbook, #FreeTheBody, our MV campaign to build body confidence and challenge beauty norms in adult entertainment! Sally D'Angelo, Gwen Adora, Sure Cakes, Expensive Ebony, TsBlondieNYC, and Kay Ottie, join forces to help us change the world!

Shyla on my Mind is a vintage inspired shoot with Shyla Jennings sultry and sophisticated day at home. She's bringing those late August, early Sunday, feels, hearkening back to a simpler time where there's nothing to do but enjoy your day. Combining elegance and simmering sexuality, her pics will be on your mind for days and days after.

1. What do you feel you bring to an adult scene that no one else does?

I honestly love what I do so I feel like I bring a hunger for orgasms every time I'm on set.

2. What celebrity do you admire and why?

Nipsey Hussle: since day one he's been a hustler and a business man, and he's done so much for his city of L.A.

3. What accomplishment are you most proud of?

How much I've grown while in the industry. I always stayed true to who I am, and that can be hard sometimes in this business.

> "I always stayed true to who I am.

4. What do you like about making your own content over starring in vids for a big studio?

My favorite part of my making my own content is that there's nothing better than being my own boss.

5. What do you find sexy in a man, and what do you find sexy in a woman?

I love a man with a fit body and a woman with sexy lips.

6. What's your absolute fave sex act to perform in front of the camera?

All of them! Haha!! I love performing in general.

7. In your life, do you feel like a leader or a follower?

I am definitely a leader.

8. What fetishes and kinks turn you on?

My biggest fetish is feet! I love pretty feet like my own ;)

What's one "strange" thing you find sexy? I've always had a strange thing for alien-like Sci-Fi fictional characters.

What makes an adult vid hot for you when you watch one? One thing I've always been turned on by is passionate sex. Seeing deep intimacy is a huge turn on for me.

What do you feel makes your own adult vids special? I try to create intimacy in my content. I want the viewer to feel their fantasy is coming true when watching me. Whether if it's sex, foreplay, cosplay, or fetish vids I want them to feel they're in the room with me.

Which food makes you happy 24×7? Mmmmm.... tacos!

What's one mystery you'd like to see solved? I'd love to see proof of actual life on other planets. I'm curious to see if there are any hot alien men and women out there! LOL!!!

If you could plan an orgy with anyone in the world, who'd you like to have at it? My perfect orgy would have Chris Hemsworth, Chris Pratt, and Zoe Saldana in it. Hmmm see where this is going? Let's nerd it up!

What always turns you on? People showing they appreciate me for the smart, dynamic, sexy person I am. Also, thigh rubs.

What are your passions outside of adult entertainment? I paint and draw, I use sex work to fund my artistic endeavors. I also am a media freak, I love movies, books, and music. I collect VHS tapes as well as cassette tapes and CDs.

Who inspires you and why? A lot of people, but I'd like to thank Marsha P. Johnson and Sylvia Rivera for all their hard work as queer sex workers and activists! Thank you!!

If you could shop for free at one store, which one would you choose and why? I would pick a tattoo parlor and start knocking down my tattoo wish list.

What's the best way to make sex fun? Don't be afraid to laugh and giggle. Sex can be silly. It's important to feel comfortable and flow with "awkwardness" or "mistakes." Just laugh it off and get back into it.

Finish this sentence: The best part about being a BBW is... Ass so big I have a cushion wherever I choose to sit.

What's a fetish you'd like to try and what's one you're definitely going to avoid? I think I've tried out every fetish I've wanted to try, haha! Anything I'd like to avoid trying seems like it's already pretty obvious to avoid.

What's your favorite ice cream flavor? That's a tie between coconut and mocha almond.

Would you rather live for a week in the past or the future and why? I'd rather live for a week in the past! I'm a big history nerd, so I'd like to travel to some of my favorite time periods to experience it firsthand.

What physical feature do you have that you love most about yourself? That would definitely have to be my smile.... and my ass.

Who would you like to live like for a day and wh? If I had to choose, it would have to be Tom from "Parks & Rec."

Finish this sentence: 69ing is... Booooooooring!

SHYLA ON MY MIND

FEATURING

ShylaJDotCom

LAS VEGAS, USA

1. What makes for an amazing Girl/Girl video?

Chemistry is everything.

2. What are you most excited about these days?

I've done a lot of traveling over the last decade but in this next chapter I'm excited to start grounding myself by planting my roots into some property in Texas. It's going to be amazing getting to shoot in nature with some of the most raw and fun content you've seen of me yet!

3. Your adult career is amazing, what do you want to achieve next in it?

I'd love to become more of an independent adult performer and use platforms like ManyVids to supply my fans with the best content of me out there.

4. What's your favorite ice cream flavor?

Rocky Road!!!

5. If you could switch lives with someone for a day who would it be?

Kelly Ripa, so I could play with myself then wait for the hot hubby Mark to come home and ravish me.

6. What sex toys do you love and what sex toys do you think are overrated?

I'm obsessed with my Hitachi Magic Wand and it's really the only toy I'll ever need. I honestly think the most overrated toy would be the Sybian.

7. What is the cutest thing in the world?

Baby animals doing pretty much anything.

8. How do you know if you're in love?

I can't get that person off my mind and when we have sex it's like going to another dimension.
